FIG. 7

FIG. 1 is a cross-sectional view of a multi-layered structure 100. The structure consists of a top layer 102, a middle layer 104, and a bottom layer 106. A central channel 108 is formed by a series of vertical walls 120 and 152. A central opening 132 is located within the channel. A series of small circular features 151 are positioned along the bottom layer 106.

FIG. 8
